(b) The West Virginia Secondary School Activities Commission is composed of the principals, or their representatives, of those secondary schools whose county boards of education have certified in writing to the State Superintendent of Schools that they have elected to delegate the control, supervision, and regulation of their interscholastic athletic events and band activities of the students in the public secondary schools in their respective counties to the commission. The West Virginia Secondary School Activities Commission may exercise the control, supervision, and regulation of interscholastic athletic events and band activities of secondary schools, delegated to it pursuant to this section. The rules of the West Virginia Secondary School Activities Commission shall contain a provision for a proper review procedure and review board and be promulgated in accordance with the provisions of chapter 29A of this code, but shall, in all instances, be subject to the prior approval of the state board. Any such private or parochial secondary school shall receive any monetary or other benefits in the same manner and in the same proportion as any public secondary school.

(d) Notwithstanding any other provision of this section, or the commission's rules, the commission shall consider eligible for participation in interscholastic athletic events and other extracurricular activities of secondary schools a student who is receiving home instruction pursuant to §18-8-1(c) of this code and who:

Such recognition does not entitle the preparatory athletic program to compete against a member school during the regular season or in any commission state championship events. The commission may promulgate an emergency rule pursuant to subsection (b) of this section, if necessary, to carry out the intent of this subsection.

(f) Prior to a student's participation in single-sex secondary school interscholastic athletic events, the West Virginia Secondary School Activities Commission must verify with each county board that each student participating in single-sex interscholastic events is participating according to the student's sex at the time of the student's birth pursuant to §18-2-5c.
